# ADOPTED

BOARD OF SUPERVISORS  
COUNTY OF LOS ANGELES

37      October 4, 2011

*Sachi A. Hamai*  
SACHI A. HAMAI  
EXECUTIVE OFFICER

Dear Supervisors:

**ADOPT AND ADVERTISE  
MARINA DEL REY SANITARY SEWER  
MANHOLE LINING - PHASE III  
IN THE UNINCORPORATED COMMUNITY OF MARINA DEL REY  
(SUPERVISORIAL DISTRICT 4)  
(3 VOTES)**

### **SUBJECT**

This action is to approve the project to construct lining for sanitary sewer manholes for Marina del Rey Sanitary Sewer Manhole Lining – Phase III, in the unincorporated community of Marina del Rey; find the project categorically exempt from the provisions of the California Environmental Quality Act; adopt the plans and specifications; and call for bids.

### **IT IS RECOMMENDED THAT YOUR BOARD:**

1. Find that this project is categorically exempt from the provisions of the California Environmental Quality Act.
2. Approve the project and adopt the plans and specifications that are on file in the Construction Division of the Department of Public Works for Marina del Rey Sanitary Sewer Manhole Lining – Phase III, sanitary sewer manhole lining, in the unincorporated community of Marina del Rey, at an estimated construction contract cost between \$600,000 and \$675,000.
3. Instruct the Executive Officer of the Board of Supervisors to advertise for bids to be received and opened on November 1, 2011, in accordance with the Instruction Sheet for Publishing Legal Advertisement.

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The purpose of the recommended actions is to obtain approval of the project from your Board and to adopt the plans and specifications and advertise for bids for the construction of lining for sanitary sewer manholes and the performance of other appurtenant work.

### **Implementation of Strategic Plan Goals**

The Countywide Strategic Plan directs the provision of Community and Municipal Services (Goal 3). The recommended actions will further this goal by extending the life of the sanitary sewer system in the vicinity of the County of Los Angeles (County) businesses and residences.

### **FISCAL IMPACT/FINANCING**

There will be no impact to the County General Fund.

The estimated construction contract cost to complete this project is in the range of \$600,000 to \$675,000. Funding for this project is included in the Fiscal Year 2011-12 Marina del Rey Sewer Maintenance District Fund Budget.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

This project, to contract for the construction of lining for sanitary sewer manholes, is part of the Department of Public Works' (Public Works) ongoing program for the operation, maintenance, and repair of sewer systems. It will be advertised in accordance with Section 20125 of the State Public Contract Code.

This project is to be completed in 70 working days. It is estimated the work will start in March 2012 and be completed in June 2012.

The contract agreement will be in the form previously reviewed and approved as to form by County Counsel.

The award of the contract will not result in unauthorized disclosure of confidential information and will be in full compliance with Federal, State, and County regulations. The project specifications contain provisions requiring the contractor to comply with terms and conditions supporting your Board's ordinances, policies, and programs including, but not limited to: the County's Greater Avenues for Independence and General Relief Opportunities for Work Programs (GAIN and GROW), Board Policy No. 5.050; Contract Language to Assist in Placement of Displaced County Workers, Board Policy No. 5.110; Reporting of Improper Solicitations, Board Policy No. 5.060; Notice to Contract Employees of Newborn Abandonment Law (Safely Surrendered Baby Law), Board Policy No. 5.135; Contractor Employee Jury Service Program, Los Angeles County Code, Chapter 2.203; Notice to Employees Regarding the Federal Earned Income Credit (Federal Income Tax Law, Internal Revenue Service Notice 1015); Contractor Responsibility and Debarment, Los Angeles County Code, Chapter 2.202; the County's Child Support Compliance Program, Los Angeles County Code, Chapter 2.200; the County's Defaulted Property Tax Reduction Program Ordinance, Los Angeles County Code, Chapter 2.206; and the standard Board directed clauses that provide for contract termination or renegotiation.

The State Public Contract Code requires the County to award construction contracts to a responsible contractor with the lowest responsive bid, which is defined as the firm that: (1) submits the bid with

the lowest cost; (2) is deemed by the County to be responsive to specific criteria under the solicitation including, but not limited to, licensure, bonding, and insurance requirements; and (3) is determined by the County to be a responsible bidder by exhibiting the capability, capacity, experience, trustworthiness, and financial wherewithal to perform the work required under the bid solicitation.

To ensure that the contract is awarded to a responsible contractor with a satisfactory history of performance, bidders are required to report violations of the False Claims Act, criminal convictions, civil litigation, defaulted contracts with the County, complaints filed with the Contractor's State License Board, labor law/payroll violations, and debarment actions. As provided for in Board Policy No. 5.140, the information reported by the contractor will be considered before making a recommendation to award.

The plans and specifications include the contractual provisions, methods, and material requirements necessary for this project and are on file with Public Works.

### **ENVIRONMENTAL DOCUMENTATION**

This project is categorically exempt pursuant to Section 15301(b) of the California Environmental Quality Act Guidelines and Class 1, Subsection (e), of the revised County Environmental Document Reporting Procedures and Guidelines adopted by your Board on November 17, 1987. These exemptions relate to the maintenance, repair, and minor alteration of existing publicly owned sewer facilities.

### **CONTRACTING PROCESS**

This project will be contracted on an open-competitive bid basis. A recommendation for award by your Board will be made after review of the bids. The contract will be awarded to a responsible contractor who submits the lowest responsive bid meeting the criteria established by your Board and the State Public Contract Code.

To increase contractor awareness of Public Works' program to contract work out to the private sector, this project will be listed on the County website for upcoming bids.

### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

When the project is completed, it will have a positive impact by extending the life of the sanitary sewer system in the vicinity of County businesses and residences.

### **CONCLUSION**

Please return one adopted copy of this letter to Department of Public Works, Construction Division.

The Honorable Board of Supervisors

10/4/2011
